

Fun, Fun, Fun Competition

No one ever left Lions because they were having too much fun. Fellowship is a great way to promote fun and friendship, in Lions. It will be simple...just collect points for visiting other clubs and report your points to your Region Chairs.

The competition will end at the end of March and, a prize will be awarded at our District Convention in April.

Best of luck!

DG Shelley

Points (Zone meetings and Multiple Club Governor's visits don't count)

10 points At least 4 members visit another club

10 points If meeting is a dinner meeting

10 points If half of club membership, or more, visits

5 points For host club

The scoring is pretty simple but the points can sure add up!
